

Any Style You Want

Esham

(Any style you want, big boy you gon get it) x4

Step in the place

Bitches look at me from head to toe

Hoe ass niggaz look like "Oh no"

'cause I'm the

Body snatcha, bitch catcha

Got a .357, don't make me point it atcha

'cause when I'm gone off Hennesy

I be tryin to fuck hoes from Detroit to Tennessee

And it's a everyday thang to me

And yo, only my nutz get to hang with me--nigga

(I got a phat sack of indo)

Man--I got a half ounce of Afghan--fuck that

I'm from the city where they show no pity

Niggaz get buried in the ground like Frank Nitti

Nigga--fill my cup up with V-S-O-P

And Reel Life is in the house most definitely

Fuckin with these hoes

Chorus:

Hey young ho(the world is yours) x4

You might catch me tippin at a tittie bar

Fuckin with bitches with big booties, and there they are

You got: Bootylicious, Rumpshaka

Nuttin Nyce, Jamaica,

Peaches, Secret, Versace, Sassette

Mystic, Lipstick--I see some pussy y'all

Ahhhh shit

Back to the bar, take a sip of my drink

I'm thinkin to myself, "Do her pussy stank?"

(Ay girl why you fuckin with that nigga, he ain't pimpin)

He trippin, I ain't bullshittin

Come and get this bank while I sip my drink

Some of you hoes fresh out the fish tank

Say somethin smellin fishy

And they say it's you

Ah shit, get the fuck back baby boo

'cause if it's true, I ain't even tryina fuck wit you

And plus you look like a dog named Scooby Doo--ho

Chorus:

Hey young ho(the world is yours) x4
I got bitches, on my mind
I can't hold back bitch, now's the time
I wanna fuck all bitches in the house tonight
Like Rudy Ray Moore played Dolemite
Oh shit bitch, you got my dick on bone
Now I'm makin raps about you on the microphone
Ain't no way in the world I'm leave you alone
Heard you had the bomb pussy, I asked my boy Tone
Hotel, motel, Holiday Inn
Bitch bring a friend
And if she ain't fuckin then leave her ass home(take yo ass home)
'cause she ain't gettin nothin but the thuggish ruggish bone
I'm gone

Esham(singing):

If I only had one bitch
That would always suck my dick
Like you told me in your letters
One bitch is always better
So I save the dick for you
'cause no other bitch will do
One bitch is always better

Chorus:

Hey young ho(the world is yours) x4
(???, any style you want, big boy you gon get it) x5
