Dead Ringer (1996 Remastered Version)

The Stranglers

One, two, three, four!Haven't I seen you somewhere around before?
Haven't I seen you somewhere around before?
Then you're a dead ringer
Then you're a dead ringer
Then you're a dead ringer
Then you're a conkeroonee stringerWasn't it you said you was into changing the law?
Wasn't it you said you was into changing the law?
Then you're a dead ringer
Then you're a dead ringer
Then you're a dead ringer
Then you're a conkeroonee stringerWasn't it you running around proud of being poor?
Wasn't it you running around proud of being poor?
Then you're a dead ringer
Then you're a dead ringer
Then you're a dead ringer
Then you're a conkeroonee stringer
