Dealer Wins

The Beautiful Girls

Seems like these walls are down again
That same old cool wind breathin' in again
I've been afraid like this before
A bottle washed up on your shore for more

And maybe its time that I should love someone
And maybe its time that you should love someone
And maybe this time we both don't need to run no more
No more

Rule is always dealer wins
In most games of chance that I have been in
Some cheat they hide behind closed doors
Try to yell retreat get caught in the war

And maybe its time that I should love someone
And maybe its time that you should love someone
And maybe this time we both don't need to run no more
No more

And maybe its time that I should love someone
And maybe its time that you should love someone
And maybe this time we both don't need to run no more
No more
