Funniest Thing

Supergrass

Broke on a summer night
Cracked in a room
Planet is over
And I can see it all
I can see it all, yeahWas the funniest thing that I saw
All these creatures were climbing the walls
And while the synergy flows through my brains
That is hardVenus is growing
Immune to the laze
And in the shade of morphine
I forget it all
Just forget it all, yeahIt was the funniest thing that I saw
All these creatures were climbing the walls
And while the synergy flows through my brains
That is hardWas the funniest thing that I saw
All these creatures were climbing the walls
And while the synergy flows through my brains
Oh, here she goesOh, it's what I saw
That is hard
Darling, that is hard
