

# I Need You

## Jars of Clay

Strangely out of place  
Well, there's a light filling this room  
Where none would follow before  
I can't deny it burns me up inside  
I fan the flames to melt away my pride  
Do I want shelter from the rain  
Or the rain to wash me away? I need You, I need You, I need You  
I need You, I need You, I need You  
You're all I'm living for I might sound like a fool  
But I think I felt You moving closer to me  
Face to the ground to hide the fatal cut  
I fight the weight, I feel You lift me up  
You are the shelter from the rain  
And the rain to wash me away I need You, I need You, I need You  
I need You, I need You, I need You  
You're all I'm living for I need You, I need You, I need You  
You're all I'm living for  
All I'm living for  
You're all I'm living for Face to the ground to hide the fatal cut  
I fight the weight, feel You lift me up  
Can't deny, it burns me up inside  
I fan the flames to melt away my pride Only had a second to spare  
But all the time in the world  
To know You're there  
You are the shelter from the rain  
And the rain to wash me away I need You, I need You, I need You  
All I'm living for  
I need You, I need You, I need You  
All I'm living for I need You, I need You, I need You  
You're all I'm living for  
All I'm living for, all I'm living for  
All I'm living for, You're all I'm living for  
All I'm living for, all I'm living for  
All I'm living for, You're all I'm living for
