

# On My Own

## Low

At the end of the story  
At the started of sun  
That's the part that just ruined me  
On my own  
How I want turns the hungry  
How I hope turns a hole  
How I feel turns the angry On my own  
So if you wake up before me  
If you find you're all wrong  
Then is nothing worth holy  
On my own  
On my own  
On my own  
On my own  
Happy birthday x 32
