Walking In Your Shadow

Uriah Heep

I'm walking in your shadow
Ever since you went away
And the clock on the wall
Really hasn't very much to say
Oh, you left me bleeding
And left me needing, you
In so very many ways
I was trying to attract your mind
But I'm the lonely one
'Cause I had to leave it all behind
Lied and deceiving
Why should I be grieving, you?
Oh yeah
Ride on a golden wing
Set sail for the sun
Make every cloud your slave
Don't be alone, oh
When I get back from my trip
Of the ocean wide
Still walking in your shadow
And still looking for somewhere to hide
If I am worse off
It's all because of, you
It's all because of you
Ride on a golden wing
Set sail for the sun
Make every cloud your slave
Don't be alone
When I get back from my trip
Of the ocean wide
Still walking in your shadow
And still looking for somewhere to hide
If I am worse off
It's all because of you
It's all because of you, yeah, yeah
