

A Thing About You

Tom Petty And The Heartbreakers

I pick up the phone, Iâ€™m dialing your number
While I pray youâ€™re at home, at home and alone
 â€™Cause I canâ€™t function on my own
 And Iâ€™ll never stop believing

The reaping is done. You are the one
The radio is on but sound is all gone
 And I wanna walk out in the sun
But lately, thatâ€™s been very hard to do

 Iâ€™ve got a thing about you
 And I donâ€™t really know what you do
 â€™Cause Iâ€™ve got a thing about you, hey you

I pick up the phone, Iâ€™m dialing that number
And my heart like a stone waits for the tone
 Oh, I canâ€™t make it on my own,
 And Iâ€™ll never stop believing

I know what is right and this is so wrong
Alone in my bed, better off on my own
The TV is on, but the colours are gone
And lately youâ€™ve been painting my world blue

 Iâ€™ve got a thing about you
 (Iâ€™ve got a thing about you)
 And I donâ€™t really care what you do
 Iâ€™ve got a thing about you
 (Iâ€™ve got a thing about you)
 Hey you

 Iâ€™ve got a thing about you
 Iâ€™ve got a thing about you-ou-ou-ou

Lately, youâ€™ve been painting my world blue

 Iâ€™ve got a thing about you
 Iâ€™ve got a thing about you
 And I donâ€™t really know what to do

I've got a thing about you
Hoping this story cuts through
I've got a thing about you
A thing about you

I've got a thing about you
I've got a thing about you-ou-ou-ou
And I don't really know what to do
I've got a thing about you
