

One God

Citipointe Live

Mercy, it falls at Your feet
Broken my soul set to seek
The ONE who gave it all

You hold, the stars in the sky
Your hand, it opened blind eyes
You gave Your Father's only SON..
Noting can compare to the greatness of our King

Chorus:

There is only one God in this world..
There is only one God I will serve
There is only one God..
only one God above it all

(instrumental)

Repeat verse one and Chorus

Bridge

JESUS, the only Name I live for
JESUS, the one TRUE GOD I adore
JESUS, You're the only name I live for
JESUS. the one true God I adore
JESUS, the only Name I live for
JESUS, the one true God I adore

The one true God I adore

Repeat chorus 2x
