Warm Leatherette

The Normals

Warm
Warm
Warm
Leatherette (4x)See the broken glass
In the underpass
Hear the crashing steel
Feel the steering wheel
As warm leatherette
Melts on your burning flesh
I can see your reflection
In the luminescent dashWarm
Warm
Warm
Leatherette (4x)Leatherette
Warm Leatherette
Leatherette
Leatherette (2x))A tear of petrol is in your eye
As the handbrake penetrates your thigh
Quick- let's make love
Before you dieWarm
Warm
Warm
Leatherette (2x)
