Who Asked You

Insane Clown Posse

Who asked you?Drank my last cup of dead body stew
Paint my face, creep up and say boo
Nobody knows what I'm about
Walk around town with my guts hanging outChewing on toes, fucking dead hoes
Bark at the moon every time the wind blows
Why do I do the things that I do?
Who are you? Fuck you and fuck Jerry Lou tooFucked your mother at the Motel 8
Fingers in her booty, strawberry shake
Daddy walks in and see the sick clown
Moving his butt cheeks up and downNate the Mack and Jump Steady
Rude Boy, Regis, Kathy Lee
I make rap rhymes and make quick bucks
And everybody sucks my nuts, shucksFuck Jazzy Jeff, fuck Jack Jones
Fuck Jazzy Jiff Jeff Jimmy Jack Jones
Why do we do the things that we do?
Who the motherfuck asked you, uh?Why do we do the things that we do?
Roses ain't red and violets ain't blue
