

# Bad

## The Cab

It feels just like it was yesterday  
We were in love, why's it falling apart  
I've never been one to walk away  
But I've had enough and it's breaking my heart 'Cause you love me just the way that you should  
It's nothing that you do, no it's nothing you say  
Yeah baby, I know that you're good  
But I don't want a good girl no, not today 'Cause I want it bad, I want a bad girl, baby, bad  
I want a love that's crazy, yeah  
I want a bad girl, baby, bad, I want it bad I want a girl who stays out too late  
And when I call, she doesn't answer the phone  
Oh, I want a girl who likes it her way  
And through it all, I know I'll end up alone Yeah yeah, you love me just the way that you should  
It's nothing that you do, no no, it's nothing you say  
Oh pretty baby, I know that you're good  
But I don't want a good girl, no not today, mm 'Cause I want it bad I want a bad girl, baby, bad  
I want a love that's crazy, yeah  
I wanna fight, I wanna rock and roll and party all night  
Yeah, I want it bad, I want a bad girl, baby, bad, I want it bad I'm getting sick of predictable, tired of acting  
logical  
Oh yeah, I gotta shake it up tonight  
Yeah girl I want something physical  
Not something invisible, oh yeah  
I'm tired of being good, let's be bad I want a bad girl baby, bad  
And I want a love that's crazy, yeah  
I want a bad girl, baby, bad  
I want a love that's crazy, yeah  
I wanna fight, I wanna rock and roll and party all night  
Yeah, I want it bad, I want a bad girl, baby, bad  
I want a love that's crazy, yeah  
I wanna fight, I wanna rock and roll and party all night  
Yeah, I want it bad
