What More Can I Say

Carl Wilson

You put me out of your life with nowhere to go
And you left me without love and nothin' to show
Of the love that you told me had died
Did you think I had another
Did I ever blow my cover
Now you want me to come back to you
You know that you do
Don't take it so hard girl, and don't make me choose
Without love I'm losin' but with you I just lose
All my chances for freedom to fly
Are you willing to take chances
In between my new romances
No-you're not ready yet I can see
You won't let me beI'm just a man on my own
Out in the world all alone
Now you want me to start over again
How can I win I'm just beginning
What more can I sayYou made me lose my freedom to fly
So don't go tryin' and destroyin'
The time that we can be enjoyin'
You know I'm gonna have it my way
What more can I sayWhat more can I say
