

Spanish Guitar (Nic Mercy Unofficial Remix)

[Toni Braxton](#)

A smokey room a small café
They come to hear you play
And drink and dance the night away
I sit out in the crowd
And close my eyes
Dream you're mine But you don't know
You don't even know that I'm there
I wish that I was in your arms
Like that Spanish guitar
And you would play me through the night Till the dawn
I wish you'd hold me in your arms
Like that Spanish guitar
And you would play me through all night long
All night long I'd be your song, I'd be your song
Fill my heart with
Every note you play
I pray you'll look my way
And hold me to your heart someday, yeah I long to be the one that
You caress with a tenderness
And you don't know
You don't even know that I exist
I wish that I was in your arms Like that Spanish guitar And you would play me through the night
Till the dawn
I wish you'd hold me in your arms
Like that Spanish guitar
All night long
All night long I'd be your song, I'd be your song
Te sientes inteligente
Cierras tus ojos
Y sueñes que soy tuyo Pero yo no se
Ni si quiera que estas aqui
Me gustaria tenerte en mis brazos amor
I sit out in the crowd
And close my eyes
Dream to mind And you don't know
You don't even know that I exist, oh
I wish that I was in your arms
Like that Spanish guitar
And you would play me through the night

Till the dawn
I wish you'd hold me in your arms
Like that Spanish guitar
Wish that I was in your arms
Like that Spanish guitar
All night long
All night long I'd be your song
(Seria tu cancion)
I'll be your song, your song, your song
I'll be your song, yeah
I'll be your song, your song, your song
Play me all night long
I'll be your song, your song, your song
I'll be your song, yeah
I'll be your song, your song, your song
I wanna be your song
I'll be your song, your song, your song
I'll be your song, yeah
I'll be your song, your song, your song
Hold me baby all night long
