Every Heartbeat

Lori Carson

Hear me speak what's on my mind
Let me give this testimony
Reaffirm that you will find
That you are my one and onlyNo exception to this rule
I'm simple but I'm no fool
I've got a witness happy to say
Every hour, every dayEvery heartbeat bears your name
Loud and clear they stake my claim
My red blood runs true blue
And every heartbeat belongs to youClassic case of boy meets girl
Moving in the same direction
You're not asking for the world
I'm not asking for perfectionJust a love that's well designed
For passing the test of time
I'm here to tell you, I'm here to stay
Every hour, every dayEvery heartbeat bears your name
Loud and clear they stake my claim
Ask anyone and they'll tell you it's true
That every heartbeat belongs to youEvery heartbeat bears your name
Loud and clear they stake my claim, yeah
My red blood runs true blue
And every heartbeat belongs to youYeah sure maybe I'm on the edge
But I love you baby and like I said
I'm here to tell you, I'm here to stay
Every hour, every dayEvery heartbeat bears your name
Loud and clear they stake my claim
Ask anyone and they'll tell you it's true
And every heartbeat belongs to youEvery heartbeat bears your name
Loud and clear they stake my claim, yeah
My red blood runs true blue
Every heartbeat belongs to youEvery heartbeat belongs to youEvery heartbeat bears your name
Loud and clear they stake my claim
Ask anyone and they'll tell you it's true
That every heartbeat belongs to you
