Before it's all over, I'ma leave this bitch
Probably treat this bitch, mo better
'Cause if you ain't know, gangstas and hoes go togetherPoppin' my collar, partna, who in the spot?
Baby, rule in the spot
In the mug and the watch, love me
Half the hoes hate me, half them love me
The one's that hate me only hate me 'cause they ain't fucked meAnd they say I'm lucky
Do you think, I've got time to fuck all these hoes?
And do all these shows?
Or flight in the lama, Dodge and White Rolls
