Yeah, yeah, yeah

Yeah  
C'mon, c'mon, uh  
To all my bitches that be givin' it up, uh  
To all my niggas that be livin' it up, we say  
To all my bitches that be givin' it up, ah  
C'monBaby, you're such a typical, everyday, one night thing  
It's a physical, I'ma fuck, you tonight thing  
Fuck, knowing your name, get your ass in the Range  
And rollover, gettin' blown while blowing the dojaBring head to a closure, that's a good bitch  
Before it's all over, I'ma leave this bitch  
Probably treat this bitch, mo better  
'Cause if you ain't know, gangstas and hoes go togetherPoppin' my collar, partna, who in the spot?  
Baby, rule in the spot  
In the mug and the watch, love me  
Half the hoes hate me, half them love me  
The one's that hate me only hate me 'cause they ain't fucked meAnd they say I'm lucky  
Do you think, I've got time to fuck all these hoes?  
And do all these shows?  
Or flight in the lama, Dodge and White Rolls  
Uh-oh, another episodeWhat, do I do?  
To all my niggas that be livin' it up, we say  
What, I do?  
To all my bitches that be givin' it up, uhhWhat, you do?  
To all my niggas that be livin' it up, we say  
What, do I do?  
To all my bitches that be givin' it up, uhh  
My love for you, c'monBitches, just wanna hold the name exactly  
That's why they suck dick with more passion than average  
And I ain't mad at'cha, never leave you alone  
'Cause we fucks when I'm home, phone sex when I'm goneWe both grown, both got minds of our own  
Bust our freaks off like old dog and Love Jones  
Been, in many zones, baby, one hoe, two hoes  
Fuck prissy bitches, the hoes that do pornoBut you know, the Rule be livin' it up  
And got all these hoes, givin' it up  
I like a little ooh baby, how cute are you?  
With a body that rides all sexualI got a stick, I'll ride right next to you  
Do a dough nut and cut, and I'll open it up

Laugh when you cry, cry when you laughin'  
But ain't nothin' happenin'  
The bitch got a little too highPicked up my thigh and started crackin'  
The radio blastin' 'Between Me And You'  
But you ain't on the low with  
That freak shit you doI thought you knew  
(What I do?)
