

Jeffrey Dahmer

Soulfly

In blood his victims will crawl
Body parts all over his house
They feed the need of his cannibal mind
Bloody murders he left behind Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome
Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome Psychological interviews in jail
To understand this behavior, insane
Set him free, he'll do it again
A life dedicated to pain Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome
Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome Stalking victims through the night
Dismember every body part
Stalking, killing in the night
Consuming every body part Stalking victims through the night
Dismember every body part
Stalking, killing in the night
Consuming every body part Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome
Jeffrey Dahmer, master cannibal
Jeffrey Dahmer, master of the gruesome
