Sweet Virginia

The Rembrandts

Now is time, the time is now for you to see

In my life is where I long for you to be

I need a love that has no ending

Virginia on that I'm dependingDon't let me go, sweet Virginia

Darlin' let me in ya, in your heart

Don't let me go, sweet Virginia

Darlin' let me in ya, in your heart, sweet VirginiaLife is high, life is low and this I know

You can't hide behind the clouds, so let it show

Take me back to the beginning

To where the sun is always shiningDon't let me go, sweet Virginia

Darlin' let me in ya, in your heart

Don't let me go, sweet Virginia

Darlin' let me in ya, in your heart

Sweet Virginia, I need a love that has no ending

Virginia on you, I'm dependingDon't let me go, sweet Virginia

Darlin' let me in ya, in your heart

Don't let me go, sweet Virginia

Darlin' let me in ya, in your heart

Sweet Virginia, sweet Virginia, sweet Virginia
