

Kansas City

Tom Jones

Going to Kansas City; Kansas City, here I come, ah, huh
Going to Kansas City, baby; Kansas City, here I come, ah, huh
They got some crazy little men there; I'm gonna get me one

I'm gonna be standin' on the corner, 12th Street and Vine; yes, I am
I'm gonna be standin' on the corner, baby, 12th Street and Vine; yes, I am
Oh, with my Kansas City baby and a mug of Kansas City wine

Well, I might take a plane, I might take a train
But if I have to walk, yeah, I'm goin' just the same

Going to Kansas City; Kansas City, here I come, uh, huh
They got some crazy little men there; I'm gonna get me one

Well, I might take a plane, I might take a train
But if I have to walk, yeah, I'm goin' just the same

Going to Kansas City; Kansas City, here I come, uh, huh
They got some crazy little men there; I'm gonna get me one
They got some crazy little men there; I'm gonna get me one
