

C.R.U.S.H. (Produced By Lil Jon)

Ciara

You know, it's been a while since I felt like this
The last time was high school
But this feeling I think he's so cute
I want to tell him so bad-but I can't
C.R.U.S.H.
Yeah I got one really bad
This is how he makes me feelHe puts the beat in my heart
Every time I see him, thoughts are getting deeper
And I knew from the start yeah, from the "Hi" and "Nice to meet ya"
I was blinded by he's features.
Girls said "You're wrong", but I said
She said "Ci your in love", but I saidC is for your confidence, boy I love the cool in you
R is for rumors they make, I wish that they were true
U, you put a smile on my face, you're unforgettable
S is for your sexiness
H I thought I had it
I gotta crush on you, I love me some you
A big crush on you, I love me some you
A big crushHe knows the right things to say hey
I can't help but pay attention to everything he says
He says he has fun with me
It's been a while since he could do this, tell me what does it mean?
My girls say "you're gone" but I said
They say "Ci your in love" but I sayC is for your confidence, boy I love the cool in you
R is for rumors they make, I wish that they were true
U, you put a smile on my face, you're unforgettable
S is for your sexiness
H I thought I had it
I gotta crush on you, I love me some you
A big crush on you, I love me some you
A big crushI can't control how I'm feeling inside, I'm off the meter
He's always on my mind, been a while since I felt this way
I don't know what to say, when I see him
I get the chills when I look in his eyes, he's so beautiful
He's everything and more, when I see him every day
Hoping he feels the same, am, am-he's a keeperC is for your confidence, boy I love the cool in you
R is for rumors they make, I wish that they were true
U, you put a smile on my face, you're unforgettable
S is for your sexiness

H I thought I had it
I gotta crush on you, I love me some you
A big crush on you, I love me some you
A big crush
