

Take Me Away

Fefe Dobson

I was waiting all my life to know you,
All about you
And now, I'm staring in your eyes and shake down
I'm all about you
And in our mind it comes so easily
But its a feeling coming over me
I want to show you but there's no where
We can really be free
Everybody's watching Wouldn't it be good if we could be together?
Take me away
Take me far away from here
And I will run, with you
Don't be afraid
Navigate, and I will steer
Into the sun, we will run I try, to remember when I was just a child
In my room
My imagination used to run wild, but I never knew
That things are never as they seem to be
When I dream to life, its my reality
It should be easy when 2 people love each other, like we
Everybody's talking Wouldn't it be good if they would understand us?
Take me away
Take me far away from here
And I will run, with you
Don't be afraid
Navigate, and I will steer
To the sun, we will run We...will run
Woo ooh ooh ooh
Woo, we...will run
Oh ya ya ya Wouldn't it be good if they would understand us?
Wouldn't it be good if we could be together!!
Take me away
Take me far away from here
And I will run, with you
Don't be afraid
Navigate, and I will steer
To the sun, we will run Woo ooh
I will run with you wherever you go
Don't be afraid

Lets run away and I will steer into the sun
We will...run
