

# Survivors (Live at the Revival Tour)

Selena Gomez

You built me from a broken heart  
With bricks you made from broken parts  
You've fixed the paint, so we could start  
So now what's mine is ours  
I still have proof in form of scars  
The first time always falls so far  
Those healing wounds heal twice as hard  
But now what's mine is ours  
But now what's mine is ours We are survivors  
We are survivors of the wild  
We are survivors  
We are survivors of the wild My sweet devoted counterpart  
We kept each other's shooting stars  
However close, however far  
Whatever's mine is ours  
Whatever's mine is ours We are survivors  
We are survivors of the wild  
We are survivors  
We are survivors of the wild  
We are survivors  
We are survivors of the wild  
We are survivors (we are survivors)  
We are survivors of the wild Woaho (we are, we are)  
Woaho (we are, we are)  
Woaho (we are, we are)  
We are survivors of the wild  
Woaho (we are, we are)  
Woaho (we are, we are)  
Woaho (we are, we are)  
We are survivors of the wild We are survivors of the wild  
We are survivors (woah)  
We are survivors of the wild  
We are survivors (we are survivors)  
We are survivors of the wild
