

# Go It Alone

Beck

I'm comin over, see me down at the station  
By the lane with my hands in my pocket  
Jinglin' a wish coin that I stole from a fountain  
That was drownin' all the cares in the world When I get older, climbin' up  
On the back porch fence just to see the dogs runnin'  
With a ring and a question and my shiverin'  
Voice is singin' through a crack in the window Na na na na na, I better go it alone  
Na na na na na, I better go it alone  
Na na na na na Down on the corner see me standin'  
On a makeshift home, with a dust storm comin'  
In a long black shadow, pull a hammer  
From a coal mine down where your daddy was workin' Comb my hair back, strike a match  
On the bathroom wall where my number was written  
Drivin' on the sidewalk, lookin' back  
At the sky, it's burnin' in the rear view mirror Na na na na na, I better go it alone  
Na na na na na, I better go it alone  
Na na na na na  
Na na na na na  
Na na na na na I'm comin over, see you down at the station  
By the lane with my hands in my pocket  
Jinglin' a wish coin that I stole from a fountain  
That was drownin' all the cares in the world When I get older, climbin' up  
On the back fence pointin' to the dogs standin' firm  
With a ring and a question, dime-a-dozen  
In a voice that was singin' underneath the window Na na na na na, I better go it alone  
Na na na na na, I better go it alone  
Na na na na na, I better go it alone  
Na na na na n  
a, I better go it alone Na na na na na, I better go it alone  
Na na na na na  
Na na na na na, I better go it alone  
Na na na na na Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na
