

Manifest Destiny

Larry and His Flask

Bones are broken and the will is sunk
How did everything get so fucked up?
Do you want to change your mind?
You can always change your mind You and I could quit this scene
Build a town and then secede
Like an Adam and an Eve 'Cause to the dreamers go the dreams
But believers have the lead
It's a frightening, frightening thing Born to the land of opportunity
Of manifest destiny Do you want to change your mind?
You can always change your mind You and I could quit this scene
Build a town and then secede
Like an Adam and an Eve To the dreamers go to dreams
But believers have the lead
It's a frightening, frightening thing The moon and stars are ganging up on the sun
(Rebellion) Everybody, the sky is falling down
Friends and lovers, the world is coming down Down, down
Down, down
