God And God Alone

Passion

One church, one faith
One anthem raised
God and God alone
One cross, one grace
One name that saves
All praise to you belongs
We lift you higher, higher
God and God alone
Your name be louder, louder
Than any other song
You are forever seated on your throne
You are forever God and God alone
Who else can wash our sin away
God and God alone
Who else can raise us from the grave
All praise to you belongs
Jesus, all praise to you belongs
We lift you higher, higher
God and God alone
Your name be louder, louder
Than any other song
You are forever seated on your throne
You are forever God and God alone
And what could seperate us from this amazing love
What could say it's greater than our God
Every knee will bow down
Oh what could seperate us from this amazing love
What could say it's greather than our God
Every knee will bow down
Oh, every knee will bow down
We lift you higher, higher
God and God alone
Your name be louder, louder
Than any other song
You are forever seated on your throne
We lift you higher, higher
God and God alone
Your name be louder, louder
Than any other song

You are forever seated on your throne
You are forever God and God alone
And what could seperate from us from this amazing love
What could say it's greater than our God
Every knee will bow down
What could seperate us from your amazing love
What could say it's greather than our God
Every knee will bow down
Oh, every knee will bow down
Yes, every knee will bow down
Oh, every knee will bown down
