

Bad Reputation

Sammy Hagar

When she had a bad reputation
So mother put you on probation
Now ain't it funny, how the story goes Well, seems like every boy you meet
Just tries to get you in the back seat
If you been there once, your gonna do it again That's what they say, when you've got
A bad reputation a bad reputation
But what a sensation for your a sight, it's a temptation Sometimes, sneakin' out the window
With just a shirt , as the wind blows
Your in trouble, when they find you out With such a small circle of friends
Train is never gonna end
Some girls like it, yeah but, some don't You, you got a bad reputation
A bad reputation
Ah, but what a sensation aw, your such a temptation Your the kind that wonders if love may last
Or if marriage is a thing of the past
Well, any way you want it baby That's the way it's gonna be, yeah
'Cause, if your good enough for you
Your good enough for me, yeah alright When she had a bad reputation now it's a touchy situation
Well, just try to change, in this small town
Where everybody knows your name Expecting you to stay the same
Either put it up, or they'll put you out
That's what they'll do When you got a bad reputation
A bad reputation
What a sensation oh, your such a temptation You got a bad reputation
You know it's alright, it's alright with me
I'll take your bad reputation, you and your bad reputation Woo
C'mon, baby
Yeah
Alright, hey, yeah
