

Turn It Up

Kt Mulholland

She said sheâ€™d be back from her smoke in a minute
Well that was a year ago last winter
And all she wanted was a breeze and a smile
Well I guess now sheâ€™s in it

Ooh ooh, time flies
When youâ€™re not watching the clock on the wall
Ooh ooh, no time for goodbyes
When youâ€™ve already said it all

Lets turn it up
Whoa oh, whoa oh, whoa oh
Lets turn it up
Whoa oh, whoa oh oh
Lets turn it up
Whoa oh, whoa oh, whoa oh
Lets turn it up
Whoa oh, whoa oh oh

Said he gonna quit his dead end job any day now
Asked her could she stick it out when times are tough
And even though he got big dreams she couldnâ€™t hang around
I guess they werenâ€™t big enough

Ooh ooh, time flies
When youâ€™re not counting the days as they pass
Ooh ooh, no time for goodbyes
When you know they never last

Lets turn it up
Whoa oh, whoa oh, whoa oh
Lets turn it up
Whoa oh, whoa oh oh
(repeat)
