

Turning Headz

Mike Jones

[Chorus]

Every-time I hit the corner, I'll be turnin' heads,
I'll be turnin' heads, I'll be, I'll be turnin' heads
Every-time I hit the corner, I'll be turnin' heads,
I'll be turnin' heads, I'll be, I'll be turnin' heads
Every-time I hit the corner, I'll be turnin' heads,(Ice Age, Ice Age)
I'll be turnin' heads, I'll be, I'll be turnin' heads
(Mike Jones) Every-time I hit the corner, I'll be turnin' heads,
(Mike says, Mike says) I'll be turnin' heads, I'll be, I'll be turnin' heads
(Mike Jones)

[Verse 1]

I use to struggle now your boy be out here burnin' bread,
Use to get turned down, now your boy be turnin' heads,
We know who use diss, now the start to smile
They see me comin' and they wanna hang around a while
They see me lookin' good, candy apple All of wood
I'm stackin' bread, turnin' heads in my neighborhood
I turn heads when I step outside, turn heads when I'm in my ride.
I make a person look twice (cause they see my money ride)
I said I turn heads when I step outside, turn heads when I'm in my ride
I make a person look twice (cause they see my money ride)
I hit the bullet board candy blue or candy red,
I'm breakin' necks cause my diamonds got'em turnin' heads
I hit the bullet board candy blue or candy red,
I'm breakin' necks cause my diamonds got'em turnin' heads

[Chorus]

[Verse 2]

I went from riding bus, to big trophy tucks.
I'm turnin' heads and breakin' necks when I'm rollin' lubs.
They think everyone else was runnin' now they see me comin',
Just start jumpin' on the gutter just see who really want me.
They see me riding fours they see me stackin' dough,
They see the black on black phantom' on them 24's.
They see me riding fours they see me stackin' dough,
They see the black on black phantom' on them 24's.
I keep 84's in the parking lot,

Diamonds to shine if it's dark or not and doin' 8 times (club ice age in on the spot)
I keep 84's in the parking lot, diamonds to shine if it's dark or not and doin' 8 times
(Club ice age in on the spot)

They use to laugh at my belly now the wanna rub on my belly every Sunday to get in my club.
They use to laugh at my belly now the wanna rub on my belly every Sunday to get in my club.

I'll be turnin' heads, I'll be, I'll be turnin' heads
I'll be turnin' heads, I'll be, I'll be turnin' heads
I'll be turnin' heads, I'll be, I'll be turnin' heads
