

# Let's Shake Hands

## The White Stripes

Oh, let's shake hands  
Oh, baby, let's shake hands  
Well, there's something here in the air  
Jump up and let me know when you're there  
Baby, let's shake hands  
Oh, let's be friends  
Oh, baby let's be friends  
I can't come up with a better plan  
Put your fingers in my hand  
Baby let's be friends

Yeah  
Oh, say my name  
Oh, baby say my name  
Well, you can do what you want to do  
Throw it in the garbage can  
But just say my name  
Yeah
