

This Is My Time

Clara Oman

For too long Iâ€™ve lived
Mistake and regret
Hold me, control me
Allow me to settle for less
So Iâ€™m drawing the line
Iâ€™m taking back what is mine
Cause only I can define who I am

Chorus-

This is my time Iâ€™m gonna claim it
Every day, itâ€™s slipping away
This is my chance, Iâ€™m gonna take it
And make my dream come true
All of my life, all of my life
Iâ€™ve been afraid to try
But this is my time
Now is my time

Iâ€™ve been through the fire
But Iâ€™m a survivor
And I need to believe
I can be so much more
Gonna leave the distractions yeah, yeah
Cause destiny happens
And the minutes and moments always know

Chorus

Iâ€™ve been climbing the ladders
Leading to nowhere
Missing what matters
Well baby you were right there
Iâ€™m turning around
I wonâ€™t let you down

Chorus
