Odd Future Wolf Gang Kill Them All

Man, you had me fooled What I thought was sweet was so rude, now You can see all them words Cause such a [Incomprehensible] What you are is a problem No, and you won?t change me ?Cause I?ll never go No, I never know Chocolate covered sheets More than [Incomprehensible] That was once homemade

Well now, I know I can?t be saved by you You and I won?t have to go And all my dreams Are a part of you now They?re a part of you now Please won?t you go And set me down? I?m not sure what goes on What goes on, yeah
