

What Child Is This

[Vanessa Williams](#)

What child is this who laid to rest
on Mary's lap asleeping
whom angels breed with anthems sweet
while shepherds watch our keepingThis, this is Christ the king
whom shepherds guard and angels singHaste, haste bring him lord
the babe the son of MarySo bring him incense, bring him gold
come pleasant king to him
The king of kings salvations brings
let loving hearts enthrone himRaise, raise the son on high
the virgin sings a lullabyJoy, joy for Christ is born
the babe was son of MaryWhat child is this who laid to rest
on Mary's lap asleeping
whom angels breed with anthems sweet
while shepherds watch our keepingRaise, raise the son on high
the virgin sings a lullabyJoy, joy for Christ is born
the babe was son of Mary
