When the Sun Goes Down

The Ink Spots

In the evening, mama
When the sun goes down
In the evening, baby
When the sun goes down
Well, ain't it lonesome
Ain't it lonesome, babe
When your love is not around?
When the sun goes downLast night, I laid a-sleeping
I was thinking to myself
Last night, I laid a-sleeping
I was thinking to myself
Well, what I been thinking
Is why that the one that you love
Will mistreat you for someone else?
When the sun goes down
The sun rises in the east
An it sets up in the west
The sun rises in the east, mama
An it set's in the west
Well, it's hard to tell, hard to tell
Which one will treat you the best
When the sun goes down'Yea-ah'
'Ooo-ee, hoo-wee'
'Yea-ah'
'Hee, hoo-oh'
'Yea-hi'
'Hoo, hoo-eee'
Good-bye old sweetheart and pals
Yes, I'm going away
But I may be back to see you again
Some old rainy day
Well, in the evening, in the evening
When the sun goes down
When the sun goes down.
