Running Through The Night

The Hollies

I've been runnin' through the night
Tryin' to reach and hold you tight
I've been wonderin' just why you stayed away
But when I reached your home
I found out that you had gone
I found out someone had taken you away
Ever since the day I cared all my dream we've shared
And my love for you grown stronger every day
And now you've said good-bye all I do is cry
I've been wonderin' just why you went away

Ever since the day I cared all my dream we've shared
And my love for you grown stronger every day
And now you've said good-bye all I do is cry
I've been wonderin' just why you went away
Won't you come on back to my side
Please oh please don't hurt my pride
Tryin' to get along without you ain't so good
And if you play along I will say that I was wrong
'Cause my love for you grows stronger like it should
'Cause my love for you grows stronger like it should
