

# I'm Sorry

## DaGrahamCraka

With eyes wide open  
A new life hope  
I just realize it was no surprise  
My heart is broken you got me open  
It will heal in time I will be just fine  
I'm getting stronger, I'm hurt no longer

My choice is right now  
I'll take it somehow

[Chorus: x2]  
Yalla Bina yalla Habibi yalla  
I said I said I'm sorry, said I'm sorry  
Yalla Bina yalla We eel Insha' Allah  
And I Said com'on ask me, come on ask me

My life is better it doesn't matter

'Cause I feel so free you're a memory  
I will love again 'cause I have a plan  
I'll find a girl that's right by the end of the night  
I'm getting stronger, I'm hurt no longer

My choice is right now  
I'll take it somehow

[Chorus: x2]  
Yalla Bina yalla Habibi yalla  
I said I said I'm sorry, said I'm sorry  
Yalla Bina Yalla We eel Insha' Allah  
And I Said com'on ask me, come on ask me

[Chorus: x2]  
Yalla Bina yalla Habibi yalla  
I said I said I'm sorry, said I'm sorry  
Yalla Bina yalla We eel Insha' Allah  
And I Said com'on ask me, come on ask me
