

# Rest In Pieces (Acoustic Version)

## Saliva

Look at me, my depth perception must be off again  
'Cause this hurts deeper than I thought it did  
It has not healed with time  
It just shot down my spine  
You look so beautiful tonight  
Remind me how you laid us down  
And gently smiled before you destroyed my lifeWould you find it in your heart?  
To make this go away  
And let me rest in pieces (Let me rest in pieces)Would you find it in your heart?  
To make this go away  
And let me rest in pieces (Let me rest in pieces)Look at me, my depth perception must be off again  
You got much closer than I thought you did  
I'm in your reach  
You held me in your handsWould you find it in your heart?  
To make this go away  
And let me rest in pieces (Let me rest in pieces)Would you find it in your heart?  
To make this go away  
And let me rest in pieces (Let me rest in pieces)Would you find it in your heart?  
To make this go away  
And let me rest in piecesWould you find it in your heart?  
To make this go away  
And let me rest in piecesWould you find it in your heart?  
To make this go away  
And let me rest in pieces (Let me rest in pieces)Would you find it in your heart?  
(Would you find it in your heart, would you let me rest in pieces?)
