

Back Together Again

Indigo Girls

Leavin' ain't fair, you know
Partin' ain't just, people got to move on
People got to do what they must And we're back together again
And I'm never gonna lose you as a friend Growin' up free, growin' up wild
If you wanna know the secret behind the smile
You got to ask a Tuesday's child And we're back together again
And I'm never gonna lose you as a friend Well, I guess that highway got a hold of me
Thinkin' crazy thoughts like it was gonna set me free This ain't my place, you know
This ain't my home and I'm not gonna feel right
'Til you get us back behind the microphones And we're back together again
And I'm never gonna lose you as a friend
No, I'm never gonna lose you as a friend
No, I'm never gonna lose you as a friend
