

# Terrorist Threats

## Westside Connection

An open microphone can be dangerous Duck nigga, West Coast  
I can make a promise right now to take your life  
West side, bustin' at you  
I can be that threat that make you change your life Duck nigga, West Coast  
I can make a promise right now to take your life  
West side, bustin' at you  
Terrorist threats, terrorist threats It's about fuckin' time, niggas to came up wit' some real shit  
And start bustin' on you bitch niggas and kill some shit  
Hot shells and cocktails, rags on faces  
A terrorist fuckin' it up in chucks with fat laces In my cutoffs I stand with trigger in hand  
And nah bitch I ain't from the Taliban I'm from the Niggaban  
West side rollin' motherfuckers up, call me Dub McVeigh  
I'm 'bout to blow these motherfuckers up West side duck nigga, West Coast  
I can make a promise right now to take your life  
West side, bustin' at you  
I can be that threat that make you change your life West side duck nigga, West Coast  
I can make a promise right now to take your life  
West side, bustin' at you  
Terrorist threats, terrorist threats We got you niggas scared like a snitch at a gangsta cookout  
And when the meter read red cowards get took out  
Back with more firepower than before  
To us a nuclear bombin' is just a drug war And I got no gangsta-izm and stardom  
And got niggas shakin' that ain't even from Harlem  
Spit rapid fire down in the whole place  
And it's hard to breathe with duck tape on your face West side duck nigga, West Coast  
I can make a promise right now to take your life  
West side, bustin' at you  
I can be that threat that make you change your life West side duck nigga, West Coast  
I can make a promise right now to take your life  
West side, bustin' at you  
Terrorist threats, terrorist threats I'm from that WSCG car, bea' ya up in ER from m' PR nigga  
Superstar, smokin' on a cigar, little homies know who the ol' Gs are  
Been the shit since '86 and even right now, ain't gotta brag  
To these bitches 'bout my lifestyle, don't mistake the westsida  
For Al-Qaeda this ain't Supafly nigga I'm a Spida West side duck nigga, West Coast  
I can make a promise right now to take your life  
West side, bustin' at you  
I can be that threat that make you change your life West side duck nigga, West Coast  
I can make a promise right now to take your life

West side, bustin' at you  
Terrorist threats, terrorist threatsAn open microphone can be dangerous
