

Old Brush Arbors

[George Jones](#)

I remember them so clearly
Mom and dad loved them so dearly
Old brush arbors by the side of the road Where I learned about salvation
From the book of Revelation
And in arbors by the side of the road Old brush arbors by the side of the road
Where a sinner could lay down his heavy load
It was in those old brush arbors
Troubled souls found peaceful harbor
Brush arbors by the side of the road Many times I had departed
From the way of life I started
In them arbors by the side of the road But each time the devil caught me
I remember what they taught me
In brush arbors by the side of the road Old brush arbors by the side of the road
Where the mighty light of God's great mercy flowed
There was praying, shouting, singing
Till the country side was ringing
Brush arbors by the side of the road
