

# Everything Glorious

Travis Cottrell, Regi Stone and Friends

The day is brighter here with You  
The night is lighter than it's hue  
Would lead me to believe  
Which leads me to believe You make everything glorious  
You make everything glorious  
You make everything glorious  
And I am Yours  
What does that make me? My eyes are small but they have seen  
The beauty of enormous things  
Which leads me to believe  
There's light enough to see that You make everything glorious  
Yeah, You make everything glorious  
You make everything glorious  
And I am Yours From glory to glory  
You are glorious, You are glorious  
From glory to glory  
You are glorious, You are glorious  
Which leads me to believe  
Why I can believe that You make everything glorious  
Yeah, You make everything glorious  
You make everything glorious  
And I am Yours You make everything glorious  
Yeah, You make everything glorious  
Oh, You make everything glorious  
And I am Yours From glory to glory, oh, from glory to glory  
You are glorious, You are glorious  
You are glorious, You are glorious And You make everything glorious  
Yeah, You make everything glorious  
You make everything glorious  
And I am Yours
