

Jealousy

Paris Hilton

I thought you were my best friend
I felt we'd be together 'til the end
You're not the girl I once knew
Tell me where she is 'cause she's not you
You used to be that shoulder
That shoulder I could lean on through it all
But now it's getting colder
There's no love between these walls
Jealousy, jealousy, jealousy
It's such an evil thing to watch someone have
Jealousy, jealousy, jealousy
Nobody wins when you're full of envy
La, la, la, la, la, la
La, la, la, la, la, la, la, la, la
I was always happy
When I was watchin' you become a star
But you were only happy
When the world was openin' up my scars
And now I'm like the devil
Well, if I am then what does that make you
You sold yourself for your fame
You'd still never walk a day in my shoes
Jealousy, jealousy, jealousy
It's such an evil thing to watch someone have
Jealousy, jealousy, jealousy
Nobody wins when you're full of envy
La, la, la, la, la, la
La, la, la, la, la, la, la, la, la
I only wanted what was best for you
Everything I did, I did because I cared
So how did all the good between us turn so bad?
Maybe someday we'll get back what we had
Jealousy, jealousy, jealousy
It's such an evil thing to watch someone have
Jealousy, jealousy, jealousy
It's such an evil thing to watch someone have
Jealousy, jealousy, jealousy, jealousy
Nobody wins when you're full of envy
La, la, la, la, la, la
La, la, la, la, la, la, la, la, la
