Filthy

Elysia

For every child
Touched by her tainted tongue.
For every orgasm
That's reached my ears.
For every night
Children lay to dream of her lust
She'll be fucked to death.Get fucked to death
That fucking bitch
Is gonna pay
She's heartless
She's empty
She's hollow.
I shoved a vacuum through her c*nt
But nothing came out.
She can crawl into my bed
but she can never crawl into my heart.I'll be the last thing
she sees before she dies.She's the destroyer of hope. Turning wet dreams
into nightmares.
What's been etched into our skin will be transposed upon her,
as I tear at her flesh and rip that fucking slut.
Tear at her flesh
rip that fucking slut
Tear at her fleshRest in piece
that fucking slut.
She's buried 6 feet closer to hell.
She fucked to the grave.Dig a ditch
and bury the bitch.
