

# Time Is Love

Josh Turner

[josh turner] i know i gotta put in the hours,  
make the money while the sunlight shines  
but anything i gotta get done,  
it can get done some other time  
time is love, gotta run,  
love to hang longer,  
but i got someone who waits,  
waits for me and right now  
she's where i need to be,  
time is love, gotta run  
i only get so many minutes,  
don't wanna spend 'em all on the clock  
in the time that we spent talkin',  
how many kisses have i lost?  
time is love, gotta run,  
love to hang longer,  
but i got someone who waits,  
waits for me and right now  
  
she's where i need to be,  
time is love, gotta run.  
gotta fly  
fly  
before one moment  
gets by?  
time is love, gotta run,  
love to hang longer,  
but i got someone who waits,  
waits for me and right now  
she's where i need to be  
time is love, gotta run,  
love to hang longer,  
but i got someone who waits,  
waits for me and right now  
she's where i need to be,  
time is love, gotta run.  
time is love, gotta run?
