

# I Don't Want to Hear Any More

**Paul Carrack**

It's not the first time  
That I've had the sense that something's wrong  
But I'm old enough to know  
That things don't always work out like they should  
I know you're tryin' hard  
To break it gently to me, now  
But there's no easy way  
To tell it like it is, so baby I don't want to hear any more  
You don't need to tell me it's over  
I've been here before I've seen that look before  
I know it well; it comes as no surprise  
You've been avoiding me  
But now you want to talk it over  
Before you take my hand  
And tell me softly in a whisper  
There's no need to explain I've read the book; I know how this all ends I don't want to hear any more  
You don't need to tell me it's over  
I've been here before I won't ask you to stay  
I won't stand in your way  
Look me right in the eyes  
Let me walk away with my head high If there's some other guy  
I don't need to know why But I don't want to hear any more  
You don't need to tell me it's over  
I've been here before I won't ask you to stay  
I won't stand in your way  
And I don't want to hear any more  
No, no, baby  
I don't want to hear any more
