

Melody

Lena Katina

Follow me into the night
Close your eyes and see
Let us fly so far away
I'll take you on this dream with me(This is my melody)And I won't let you go
I won't let you fall
There's something that I can feel
This is my melodyAnd I won't let you go
I won't let you fall
There's something that I can feel
This is my melodyI will lead you thru' the night
Come with me, you'll see
In this place, so far away
Just let go and dream with me(This is my melody)And I won't let you go
I won't let you fall
There's something that I can feel
This is my melody(This is my melody)And I won't let you go
I won't let you fall
There's something that I can feel
This is my melodyNo, I won't let you go
I won't let you fall
There's something that you should feel
This is my melody
