

# Shape Shifters

## Diablo

They stare at you with hollow eyes  
Still you can't figure out what they really want  
Clearest greed has closed their lips  
With bleeding heart you have to face their tricksThey'll take you in, they'll spit you out  
Down on your knees you have to face their crowd  
without dreams your world can't remain in sight  
You're trapped in their world, world of disguiseYour corrupted soul won't be reborn  
At the end of the day they will deny you and your like  
Judgement is now in the hands of the most ineptShape shifters  
    they don't care what you feel  
    they don't care if you bleed  
    you've sold your soul for those  
    who don't give a shitShape shifters  
    they don't care what you feel  
    they don't care if you bleed  
    you've sold your soul for those  
    who don't give a shitYour soul is like an empty shell  
    Prayers to god will not change a thing  
    The truth is always the first victim of war  
And that is what they are waiting forYour corrupted soul won't be reborn  
    At the end of the day they will deny you and your like  
    Judgement is now in the hands of the most ineptShape shifters  
    they don't care what you feel  
    they don't care if you bleed  
    you've sold your soul for those  
    who don't give a shitShape shifters  
    they don't care what you feel  
    they don't care if you bleed  
    you've sold your soul for those  
    who don't give a shit
