Broken Heart

John Waite

Heard that she's back in town
Heard she's been seen around
I hear she gets what she wants every timeI know what she puts you through
I know what you'd like to do
'Cos I lost my heart to her some time agoSo come on wipe your tears away
It's all that you can do
A broken heart never mends
Cry your tears till the very endAt home on the boulevard
Cheap whiskey and tyro cars
Man, she's outrageousShe wants the best in life
Sugar daddies with aging wives
She is expensive in the things she doesSo come on, wipe your tears away
It's all that you can do
A broken heart never mends
Cry your tears till the very endShe knows what it must be like
Livin' in paradise
If you ain't got money
She don't wanna knowI know what she puts you through
I know what you'd like to do
I lost my heart to her some time agoSo come on, wipe your tears away
It's all that you can do
When you've got a broken heart
Come on, wipe your tears away
It's all that you can do oh yeah
