

Come on Over Here

Toni Braxton

Where do you go when
You need good lovin'
And how will you know if
Love is very hard to find
How do you say
That you need it everyday
Well if you look my way
You won't be wastin' time
Just come on over here
And I will take care
Of your every need
'Cause I've got love to give to you
Just come on over here
And don't you worry dear
'Cause I've got more
I've got more than you know what to do with
What do you do when you're
Not satisfied
And when you've done all that you can
You know you tried, oh yeah
And how do you say that
You need to get away
Don't make it so hard
When I'm there for you
Just come on over here
And I will take care
Of your every need
'Cause I've got love to give to you
Just come on over here
And don't you worry dear
'Cause I've got more
I've got more than you know what to do with
Boy I know
That you've been through so much
Don't you think it's time
To give it up
You deserve love
The way I do
And how I see it
It's you for me and me for you
