

# Two Magicians (2009 Remastered Version)

## Steeleye Span

She looked out of the window as white as any milk  
And he looked in at the window as black as any silk  
Hello, hello, hello, hello, you coal blacksmith  
You have done me no harm  
You never shall have my maidenhead  
That I have kept so long I'd rather die a maid  
Ah, but then she said and be buried all in my grave  
Than to have such a nasty, husky, dusky, fussy, musky  
Coal blacksmith, a maiden, I will die  
She became a duck, a duck all on the stream  
And he became a water dog and fetched her back again  
Hello, hello, hello, hello you coal blacksmith  
You have done me no harm  
You never shall have my maidenhead  
That I have kept so long, I'd rather die a maid  
Ah, but then she said and be buried all in my grave  
Than to have such a nasty, husky, dusky, fussy, musky  
Coal blacksmith, a maiden, I will die  
She became a star, a star all in the night  
And he became a thundercloud  
And muffled her out of sight  
Hello, hello, hello, hello you coal black smith  
You have done me no harm  
You never shall have my maidenhead  
That I have kept so long, I'd rather die a maid  
Ah, but then she said and be buried all in my grave  
Than to have such a nasty, husky, dusky, fussy, musky  
Coal black smith, a maiden, I will die  
She became a rose, a rose all in the wood  
And he became a bumble bee  
And kissed her where she stood  
Hello, hello, hello, hello you coal blacksmith  
You have done me no harm  
You never shall have my maidenhead  
That I have kept so long, I'd rather die a maid  
Ah, but then she said and be buried all in my grave  
Than to have such a nasty, husky, dusky, fussy, musky  
Coal blacksmith, a maiden, I will die  
She became a nun, a nun all dressed in white  
And he became a canting priest  
And prayed for her by night  
Hello, hello, hello, hello you coal blacksmith  
You have done me no harm  
You never shall have my maidenhead  
That I have kept so long, I'd rather die a maid  
Ah, but then she said and be buried all in my grave  
Than to have such a nasty, husky, dusky, fussy, musky  
Coal blacksmith, a maiden, I will die  
She became a trout, a trout all in the brook  
And he became a feathered fly  
And caught her with his hook  
Hello, hello, hello, hello you coal blacksmith  
You have done me no harm  
You never shall have my maidenhead

That I have kept so long, I'd rather die a maid  
Ah, but then she said and be buried all in my grave  
Than to have such a nasty, husky, dusky, fussy, musky  
Coal blacksmith, a maiden, I will die  
She became a corpse, a corpse all in the ground  
And he became the cold clay and smothered her all around  
Hello, hello, hello, hello you coal blacksmith  
You have done me no harm  
You never shall have my maidenhead  
That I have kept so long, I'd rather die a maid  
Ah, but then she said and be buried all in my grave  
Than to have such a nasty, husky, dusky, fussy, musky  
Coal blacksmith, a maiden, I will die
